

Urban Development Zone Plan

Plan Reference: ADUPC/UDP/2025/MZ-07 | Department: Abu Dhabi Urban Planning Council

1. Zone Overview

This document describes the planned development zones for the Mussafah South Extension Area (MSEA). The plan identifies seven (7) primary land-use zones within the polygon boundary defined below. All coordinates are in WGS84.

2. Zone Boundary (MSEA Master Polygon)

The following vertices define the outer boundary of the Mussafah South Extension Area:

Vertex	Longitude (°E)	Latitude (°N)	Description
P1	54.360000	24.440000	NW corner — Mussafah Channel boundary
P2	54.395000	24.440500	NE corner — Highway E20 intersection
P3	54.396000	24.420000	SE corner — Southern industrial boundary
P4	54.361000	24.419500	SW corner — Port access road
P1	54.360000	24.440000	Closure point

3. Land Use Zones

Zone ID	Name	Centroid Lat	Centroid Lon	Area (ha)	FAR	Permitted Uses
Z1	Heavy Industrial	24.432	54.368	85	0.5	Manufacturing, heavy logistics
Z2	Light Industrial	24.435	54.378	62	0.8	Assembly, light manufacturing
Z3	Logistics Hub	24.429	54.386	48	1.0	Warehousing, distribution
Z4	Commercial Strip	24.437	54.376	12	2.5	Retail, F&B, services
Z5	Utility Corridor	24.424	54.372	18	0.2	Power, water, waste
Z6	Green Buffer	24.438	54.392	22	0.0	Landscaping, parks
Z7	Mixed Employment	24.426	54.395	55	1.2	Office, R&D, showrooms

4. Key Infrastructure Points

Feature	Type	Latitude	Longitude	Notes
Main Entry Gate	Access	24.430120	54.361450	E20 motorway junction
Substation S1	Utility	24.428900	54.370230	132kV TRANSCO substation
Water Pump Station	Utility	24.433450	54.380120	ADSSC connection point
Rail Interchange	Transport	24.425670	54.390540	ETIHAD RAIL future phase
Control Centre	Admin	24.436120	54.374560	Zone management office
